

Statement:

After I left Cornell, I worked in a study abroad service agency.

Intended Major and Career Plan:

I intend to major in mathematics (and possibly have a second major or minor in physics). I want to stay in the academia and become a mathematician.

Term I wish to return:

I wish to return on Block 8.

Housing Preference:

I don't have any particular housing preference, except that I want to make the habit of going to bed early.
